TIGERLAND

G'day Tiger Fans, and welcome back here to TIGERLAND. Its been a long time coming but finally we have some local footy games underway to help keep us all a little bit sane on a Saturday. A big thankyou to all those that worked hard behind the scenes to make this happen.

Our junior Tiger cubs have provided us with some entertaining football, moving the ball well from one end of the ground to the other with ease. I recommend if you haven't seen them play yet to get down to one of these home games and throw your support behind the little tackers.

It's somewhat like back to the future with the likes of Blaser, Campbell, Dahiltz, Edwards, Evans, Montgomery, Pontt, Westbrook and Wright all significant Tiger names throughout the history of the Loxton Football Club. The Growler and footy fans in general can only hope and wish the junior committee get some kind of father son game happening in the near future if Covid allows it to happen, it will be awesome viewing.

Join the crew and Jump on Team App if you haven't already done so. It keeps you up to date with all the club news, team news, line ups and lives scores. Anyone can send lives scores at any time during a game or at a quarter time break. Its as simple as sending a text message.

To all the Tiger army and their families out there, stay safe and enjoy the footy with a Bacon and egg breakfast or a steak and onion lunch. Just \$2 admission for ages 16 and over. Go Tigers!

Onwards & Upwards by Edwards

It is great to have football back in 2020! With COVID-19 restrictions and the uncertainty surrounding sport and life in general, we were pleased to have all RJFL clubs embrace junior footy and the Riverland Football League support our shortened program.

We also welcome the under 18 boys to the junior banner this year and not miss a year of footy. It has taken a lot of work and negotiation to get the season up and running, but I think we have made the right decision and the boys will benefit from the fitness, the skill development and the social interaction. I am proud of the way the juniors have competed hard and had fun.

Whilst we are pleased to be playing footy and watching some great games, we also need to be mindful that we need to follow the SANFL guidelines regarding COVID-19. Everyone is trying to do the right thing and making a big effort to help, but it is easy to get caught up in the normal game day activities and not follow a few steps.

Please:

- **Remember to maintain Social Distance of 1.5m**
- **Follow markings on seating and when lining up**
- **Read any signs that are placed around the football ground**
- **Please do not gather in groups**

We look forward to completing Round 1 this weekend against Barmera and I wish the boys all the best. Thank you

TIGER OF OLD

The Growler caught up with Bill Pontt recently and it is fair to say that he had a fairly successful career as a Loxton Tiger playing in the extraordinary 6 premierships in a row era, spanning over 13 years from 1959 to 1971

Name: William Allen Pontt

Nickname: Pontty, Bill

Number: Mainly # 4 or 5 but just worn what we were given, didn't really matter as long as it was black and yellow

Career: Played all my juniors at Loxton

Previous position: Ruck, Centre, Forward and a bit of centre half back

Where are you now : I'm living in Quirky! street Loxton

How did you become a Tiger? Born a bred a tiger , A Pontt Tradition!

Did you still follow the club? Not physically, just take a interest in the results before they took the local paper away!

Who were your coaches in your time at Loxton and who do you rate the best? Bernie Stevens, Adrian Jolly, Alan Goldfinch, Peter Mowatt and Wally Dittmar. Alan Goldfinch got the best results out of us all winning 5 premierships, he was a great leader and a tough bastard who was clever enough not to get reported.

Best memories of your time at Tigerland? It's hard to go past the six Premierships in a row and all of the great social evenings we used to have at the Tiger Den.

Best players you have seen at Loxton? Definite standout was Kerry Bomber Hamilton, then Bob Proud, Alan Goldfinch and Dennis Becker was outstanding on his day. There was quite a few others that I could name as well as there was a lot of great players in our sides back then.

What did you think of the split of the two Loxton teams in 1964?

Didn't worry us too much. We still won Premierships and they were weak at the time, but on their day they were the only team to beat us. Still don't like them but!

Hardest Opponent? Malcolm Hill, he was big and strong. He broke my nose in a boundary ruck contest one day, I still owe the bastard.

SANFL Footy: I barrack for West Torrens, now the Eagles

AFL Footy: Adelaide Crows

Biggest influence on your career: My Lovely wife Daph. She was Secretary for the Ladies Auxiliary for 9 years.
(Probably Alan Goldfinch as well....)

LOXTON NOW ARE A FLAG THREAT

Round 13 scores - July 31, 2010

Match Report Loxton v Barmera/Monash

Loxton has emerged as a genuine flag contender after disposing of second-placed Barmera Monash by 25 points at Loxton on Saturday. It is the club's first 'big scalp' this season as they gather momentum leading into the finals.

The first quarter, as expected, was tight and physical as highlighted by the Tiger's Brett Wheeldon's bump on Darren Perry that had the Barmera halfback winded. The Roos dominated their forward inside 50 entries but the Tiger defence, led by centre half back Raphael Liddle, fullback Mark Thiele and high-flying youngster Bradley Kirk stood tall. One of the Whillas Medal favourites, Rhys Mitchell, assisted evergreen Loxton forward Steve Westbrook with a goal. Although Barmera had the wind Loxton played the better football. This was illustrated by a superb gather and handball, almost in one motion, by All-Australian skipper Leigh Kruger to Mitchell for a goal just prior to quarter time. The second quarter began with easy misses respectively by Tiger quick-silvered Brett Manuel and speedster Travis Wilson, who sprayed his kick wide. Wheeldon managed to bend a beauty through the uprights opening up an 11-point lead to the Tigers. Mitchell and the clean-skilled Pete Smith ruled the midfield and defender Pat Portolesi carried the ball out of defence with aplomb for the Tigers. Barmera were 17-points down at half time. The third quarter began with the Roos attacking early but for no reward. Pete Smith's superb sidestep that evaded Smart led to Montgomery's first goal. Both sides had no dominant forwards and turnovers were aplenty in the breezy conditions. A brilliant 'hanger' from Tiger Kirk thrilled the crowd. Montgomery handballed to Kruger for the 'goal of the day'. It put Loxton 28-points clear at three-quarter-time. The last quarter showed some resemblance of Barmera playing like a second-placed team. The brilliant Smith put the game out of reach with his second goal after a brilliant Nick Uren pirouette from trouble enabled him to combine with Kruger. Loxton's stars were Mitchell and Smith as prolific ball winners. Portolesi was terrific in defence as was Kirk, Kurtzer was calm and collected as a defender and Kruger was at his usual creative best.

Loxton	3.1	6.4	9.7	12.10 (82)
Barmera Monash	2.2	3.5	4.9	8.9 (57)

Best: Loxton - R. Mitchell, L. Kruger, P. Smith, P. Portolesi, B. Manuel, B. Kirk.

Goals: Loxton - A. Montgomery 3, P. Smith 2, S. Westbrook 2, R. Mitchell 2, L. Kruger , N. Uren , B. Wheeldon.
